Sedona is an ideal place to experience the majesty of Earth and her many colors. Speaks of Many Truths teaches us how to communicate with the natural, powerful elements and wonders of Sedona in this title. Sedona is known worldwide for its unique characteristics. Massive red-rock formations as well as the contrasting riparian areas of Oak Creek Canyon make Sedona and the surrounding area one of the United States most beautiful places. However, a less widely known feature of Sedona is the power and wisdom within the areas red rocks and stones, just one of the aspects that makes Sedona the ideal place to experience the majesty of Earth and her many colors. In Touching Sedona, Speaks of Many Truths teaches us to communicate with and honor the powerful elements that can be found in the Colorado Plateau. From red rock to white crystals, this book allows us to fully appreciate these wonders of Sedona.
