

Transforming Learning for the Workplace of the New Millennium - Book 3: Students and Workers as Critical Learners (Voyager: Direction for Learning & Careers)

This book, third in the Voyager: Direction for Learning and Careers Set, is part of a comprehensive curriculum package for grades 11-14. It will help develop partnerships between business organizations and educational institutions to create and implement effective school-to-career programs that prepare work-ready and career-bound students. Book three focuses on postsecondary curriculum. Special Features: A guide to postsecondary classroom instruction, worksite induction, and cross-discipline coordination. Detailed lesson plans are developmentally sequenced through the entirety of the curriculum. Hands-on activities are developed that students, parents, and teachers will find exciting. Consists of four parts: Preparing for the Voyager Program; The Classroom and Workplace Experience; The Roles and Responsibilities of all Stakeholders; and Voices from the Next Generation: Critical Workers and Learners which can also be purchased separately. Intended for multiple audiences including educators, administrators, business leaders and organizations, community agencies, university and college teacher preparation programs, global cultural workers, and school districts.
