

Pomeranians 2015 Square 12x12 (Multilingual Edition)

Though they weigh a mere three to seven pounds, Pomeranians are fearless watchdogs. Perky, curious, and brave, they are loving companions, and they certainly do not shun a little pampering. Poms are bred in a manner that creates two distinctive facial looks: fox faced and baby faced. This wall calendar shows both faces of these adorable dogs. Includes a free download of the DogDays app for the smartphone and tablet, which grants access to the worlds most captivating dog photos and backgrounds, fun puzzles, and a calendar featuring your favorite furry friends. BrownTrout is committed to sustainability.
