

WIND IN YOUR SAILS: Vital Strategies That Accelerate Your Entrepreneurial Growth

David Greer has a mission to take his thirty-five years of entrepreneurial experience and share it with other entrepreneurs to accelerate their success. Of all the things you as an entrepreneur can focus on, getting clear on the strategy and purpose of your business drives progress the fastest. Whether this is a strategic focus on your markets and products, the customers you serve, or the culture you build to allow your employees to grow and flourish in their careers. As a hard driven entrepreneur, David shares both the thinking and the practices that will deliver success for you and your business. As a life-long sailor, David relates his personal experiences in business and in life to the challenges of growing a business. While you can beat your way against the wind, successful entrepreneurs learn to harness their efforts to seamlessly blow them in the direction they want to go. Spend one hour reading Wind In Your Sails and you will always have three ideas that will accelerate your business in the next 90 days. What are you waiting for?
